Universidad Veracruzana

CHINA MOBILITY PROGRAM VISITING STUDENTS 2024

Within the framework of the institutional processes of internationalization, with the aim to enhance international cooperation and contribute to the development of academic ties with China partner institutions, the International Affairs Office (DGRI) through its Student Mobility Division.

I N V I T E S

To undergraduate students from China partner universities to participate in an on-site exchange at School of Foreign Students (SFS) of Universidad Veracruzana (UV) campus Xalapa, for the September 2024 – July 2025 term.

GENERAL REQUIREMENTS

- * Undergraduate students must have completed two years of their study programs.
- * G.P.A. 8.5

ADMISSION REQUIREMENTS

The student must gather the following documents:

1. Letter of presentation from the international affairs office.
2. Academic transcript from the home university.
3. Medical certificate.
4. Proof of English language level
5. Passport

**Spanish level B1 or equivalent is required to access to courses at other UV Departments of School.*

SELECTION PROCESS

Once the file is completed, this will be addressed to the School of Foreign Students, which will revise the proposal. If there are no observations, the SFS will issue an acceptance letter which will be sent via email to both the responsible of mobility division and the student. Prior their arrival, students must submit their international medical insurance, otherwise the mobility process will be cancelled.

SUBMISSION OF APPLICATIONS

Requirements mentioned before, must be sent in PDF format to the Student and Academic Mobility Office through an online form, which it will be the only way to receive information.

MOBILITY ONLINE APPLICATION

https://docs.google.com/forms/d/e/1FAIpQLSfnfuk7vtvzPHe8r3-LKx_p2CW06QismfhW7H11OKBnJBrg/viewform?usp=sharing

Once the file is registered there will no longer be the option to make any modification, therefore, those who do not comply with the provisions of this call will NOT be subject to evaluation and will not be considered in the acceptance process.
